Public Discussion

Resident George Sevens addressed the board regarding his concerns and opposition to the development of data centers.

President's Report

1. Harrisville Water Extension

President Owens informed the board that he had a meeting with the county chairman regarding the county receiving funding for the extension of water from Baxter Road to Harrisville and down Rotary Road. President Owens informed the board that because of the village's current loan with the county for the sanitation extension

project in Harrisville, he wants to be sure that the village is in a financially stable position before getting into any new agreements.

2. Copy Machine Service

A contract with a local copy machine company, Cartridge World, is pending to provide a new copy machine and service contract.

3. Property Violations

New notice letters for ordinance violations within the village are being developed. Considerations for further legal counsel regarding potential data center development in neighboring municipalities are being reviewed to determine future environmental protection.

Clerk's Report

Clerk Jessica Lang informed the board that she has been in communication with Lauterbach & Amen to establish a timeline for submission of the 25-26 audit, deadline being 28th of August.

Engineer's Report

Engineer Kevin Bunge informed the board that Adam will be in communication with Rock Roads for the 2026 streets project in early August. Feedback from the Sanitary District and Winnebago County has resulted in construction plan changes for placement of the water line on Harrisville. Two bids have been received for restoration work on the retention pond on Alamo Drive, with a recommendation to grant the project to Rock Roads. Communications continue with Frontier for fixing the leaning pole on 11th Street and South Bend. Concrete patches done in the upper park were found to be unacceptable and will be requested to be redone.

Monthly Expenditures

1. Review and Authorization of June 2026 Invoices

Wendy Roop motioned to pay the invoices for the Village in the amount of \$27,942.76, seconded by Deanna Rodgers. All present voted unanimously; motion carried.
